

# nipsNY – NON-INVASIVE PLASTIC SURGERY – ON DEMAND

*nipsNY, an on-demand plastic surgery service is now your go-to for all non-invasive procedures for the face, hands and body.*

NEW YORK, NY, USA, October 18, 2017 /EINPresswire.com/ -- nipsNY, an on-demand [plastic surgery](#) service is now your go-to for all [non-invasive](#) procedures for the face, hands and body. Founded by NYC Top Doc, John A. Perrotti, MD, nipsNY accepts same day appointments, including home and hotel visits, as well as online eConsults.

nipsNY offers non-invasive procedures for the face and body, including fillers, toxins and [liposuction](#) – for both men and women – and minimally invasive approaches to the face and body, performed with local anesthesia.

XEOMIN® - the latest option – proven to reduce frown lines;

RADIESSE® - wrinkle filler used to plump the skin – adds volume and stimulates natural collagen.

“

Each person's face and body has natural curves and contours, which may be improved upon. Yet, everything needs to be artfully achieved, leaving a completely natural appearance.”

*John A Perrotti, MD*

Also used for Hand Rejuvenation to immediately restore volume loss;

BELOTERO® - to temporarily smooth out and fill in nasolabial folds and lines and wrinkles;

KYBELLA® - the only injectable treatment approved by the FDA for fat reduction below the chin;

SMART LIPO® - the leader in laser-assisted lipo under local anesthesia;

SPOT LIPO – liposuction targeted to specific areas such as neck, belly and thighs, under local anesthesia.

nipsNY also offers minimally invasive procedures for facelift, necklift, tummy tuck and breast surgery, often with local

anesthesia.

Special nipsNY treatments for men target face, neck, chin, love-handles, and man-boobs.
