

Strong 2017 Positions Tantom Health for Surge in 2018

Tantom Health expanded their scope of services to include occupational health clinics, occupational health management services and chronic condition management.

GLENVIEW, IL, UNITED STATES, October 26, 2017 /EINPresswire.com/ -- [Tantom Health](#) entered the worksite clinic space in early 2017 with an experienced leadership team looking to raise industry standards with innovative solutions and teamwork. The team has set themselves apart in the industry and has already taken on new services and partners.

Tantom Health has been able to expand their scope of employee healthcare solutions to include [worksite clinics](#), [occupational health](#) clinics, occupational health management services, chronic condition management and more.

Striving to change the industry and expand access to on-site employee health, Tantom announced a new pricing and set-up model for work-site clinics that eliminates up-front costs yet still delivers a wide scope of services.

“

Our patients are extremely knowledgeable and demand proactive care. Service providers, especially in healthcare, need to get out of the 80's and 90's practices and build a culture of NOW.”

Tantom Health*

“I believe the modern patient has completely changed. Our patients are extremely knowledgeable and demand proactive care. Service providers, especially in healthcare, need to get out of the 80's and 90's practices and build a culture of now. Tantom Health is investing a lot of resources into innovative solutions, development and technology, so we can offer what our patients need and want. We would hate to be a company that missed the future,” said Umer Nasim, MD, CEO of Tantom Health.

Tantom has also recently partnered with Health Beyond Insurance (HBI) to expand their national provider network and give employees access to providers in a broad range of specialties. This has significantly improved their ability to effectively manage occupational health services for their clients.

To supplement expansion efforts, Tantam is inviting visitors to explore its new website. The new site provides a user-friendly experience with improved navigation and functionality. Visit <http://www.tantamhealth.com> to learn more.
