

# Ohio Mesothelioma Victims Center Now Offers an Energy Worker with Mesothelioma in Ohio Instant Access to The Nation's Top Lawyers for a Better Compensation Outcome

NEW YORK, NEW YORK, USA, November 17, 2017

/EINPresswire.com/ -- The Ohio Mesothelioma is now offering a person in Ohio who has been recently diagnosed with mesothelioma or their family on the spot access to the nation's top mesothelioma- with the goal being much better financial compensation. The group is especially focused on assisting energy or utility workers who have been diagnosed with mesothelioma in because these types of workers really can receive a million compensation settlement-as they would like to explain anytime at 800-714-0303.<http://Ohio.MesotheliomaVictimsCenter.Com>

Energy workers in Ohio with mesothelioma include:

- \* Power plant workers
- \* Oil refinery workers
- \* Public Utility workers
- \* Nuclear power plant workers

“

We are especially focused on assisting power plant workers who have mesothelioma because of exposure to asbestos at a power plant on the Ohio River especially in places like Steubenville.”

*Ohio Mesothelioma Victims Center*

The Ohio Mesothelioma Victims Center says, “Our number one goal is to see to it that a recently diagnosed person with mesothelioma in Ohio receives the very best mesothelioma financial compensation for this rare form of cancer caused by asbestos exposure-especially if their exposure took place as an energy or public utility worker. As we mentioned these types of people can receive a million dollars in financial compensation provided they have the nation's most skilled and experienced mesothelioma attorneys assisting them.

“Before you hire a lawyer/law firm to assist with a mesothelioma compensation claim in Ohio please call us at 800-714-0303 so at a minimum you know exactly what specific attorneys you should be talking to. Please don't shortchange yourself on mesothelioma compensation because you hired a less than qualified lawyer/law firm. We are especially focused on assisting power plant workers who have mesothelioma because of exposure to asbestos at a power plant on the Ohio River especially in places like Steubenville.”<http://Ohio.MesotheliomaVictimsCenter>

The Ohio Mesothelioma Victims Center wants to emphasize there is a statewide initiative available to a diagnosed victim anywhere in Ohio including communities such as Columbus, Cleveland, Cincinnati, Toledo, Akron, Dayton, Steubenville, Bellaire, or Youngstown.

Aside from their focus on the best possible compensation the Center is also extremely passionate about the best possible medical treatments. For the best possible mesothelioma treatment options in Ohio the Ohio Mesothelioma Victims Center strongly recommends the following three health care facilities with the offer to help a diagnosed victim, or their family get to the right physicians at each hospital: Case Western Reserve University Cancer Research Center Cleveland, Ohio: <http://cancer.case.edu/> , Ohio State University Comprehensive Cancer Center Columbus, Ohio: <http://cancer.osu.edu/>, the Cleveland Clinic Taussig Cancer Institute Cleveland, Ohio: <http://my.clevelandclinic.org/services/cancer>.

High-risk work groups for exposure to asbestos in Ohio include Veterans of the US Navy, power plant workers, factory workers, plumbers, electricians, coal miners, auto mechanics, machinists, and construction workers. Typically, exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's. <http://Ohio.MesotheliomaVictimsCenter.Com>

The states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon.

For more information about mesothelioma please refer to the National Institutes of Health's web site related to this rare form of cancer: <https://www.cancer.gov/types/mesothelioma>.
