The New Mexico Mesothelioma Victims Center says, "When we receive a phone call from a person in New Mexico who has recently been diagnosed with mesothelioma we try to determine as quickly as possible how or where the person with mesothelioma could have been exposed to asbestos. If we are talking to a construction worker, a plumber or an electrician we ask- were they working primarily on residential, oil or gas facilities, construction, or public works projects? The reason the how or where the asbestos exposure occurred is so important to us because it will help us figure out what attorneys we will recommend-as we would like to discuss anytime at 800-714-0303.

"What might surprise a construction worker, a Veteran or a skilled tradesman with confirmed mesothelioma in New Mexico is some of the nation's very most capable and experienced mesothelioma attorneys will not only talk with them about the compensation process-frequently these

incredibly experienced mesothelioma lawyers will also want to personally work on the financial claim. If you can hire one of the best mesothelioma attorneys in the United States and their amazing legal teams-please do it. If you call us at 800-714-0303 we will make it happen. Please do not sell yourself short when it comes to mesothelioma compensation if you have this rare cancer in New Mexico.”
