

# NY Gov. Andrew Cuomo Ensures Most Sex Crimes against the Disabled Disappear

*There is rampant sexual abuse, rape, obstruction of justice and criminal cover-ups within Gov. Cuomo's extremely dangerous mental health care system*

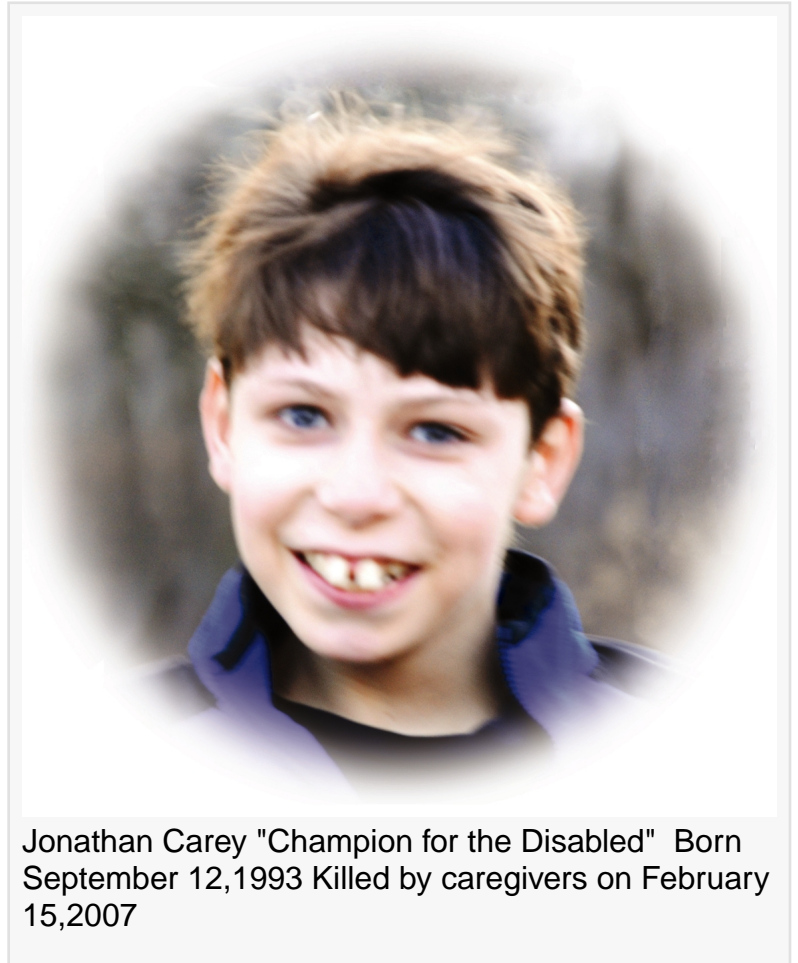

ALBANY, NEW YORK, UNITED STATES, November 9, 2017 /EINPresswire.com/ -- As sexual harassment and sexual abuse dominate the national news Gov. Andrew Cuomo is nowhere to be found.

Overwhelming silence from a man that claims to champion human rights and equal rights is obviously suspicious as hell. There are distinct reasons for the governor's silence on the Harvey Weinstein sex scandal; Mr. Weinstein was a large campaign contributor for many years to the governor dating back to when he was the Attorney General according to news reports. It is far more than the money though, the Governor is purposefully avoiding talking about sexual harassment and sexual abuse because it opens a Pandora's Box for him.

The Jonathan Carey Foundation released publicly a timeline of what and when former Attorney General Cuomo and now [Governor Cuomo](#)

have known and has been involved in regarding hiding and concealing most reported sexual assaults and rapes of people with disabilities from local police and county elected prosecutors <http://www.einpresswire.com/article/414428414/cuomo-has-been-protecting-sexual-predators-for-over-a-decade?n=2> . The evidence is overwhelming. The sex crimes and cover-ups are astronomical in scope, but it is also important to bring to light the same is happening surrounding thousands of deaths within this same corrupt system. The Jonathan Carey Foundation laid out the case or indictment if you will of how most sex crimes disappear within Cuomo's agencies. [Gov. Cuomo](#) is responsible, he is the boss- he is the kingpin.

Of course there are many other top State officials involved as well to pull off this large of a criminal enterprise and scheme as the State actually calls it in their own words, "a coherent oversight scheme." Another State term that they use is "a carefully cultivated understanding." These terms remind me of what Cuomo's right hand man who has been indicted by the feds and who will soon be going to trial, Joseph Percoco was quoted as reported by the Post, "OK. will deal with it after I get my ziti!" <http://nypost.com/2016/09/22/ex-cuomo-aides-expected-to-be-slapped-with-federal-charges/> Another famous quote that also comes to mind is from the movie the Godfather, where the Godfather says, "I'm gonna make him an offer he can't refuse."

The "coherent oversight scheme" as documented in an official State Affidavit signed by Jane Lynch, the former head of the fraudulent Commission on Quality of Care (CQC) that Cuomo renamed to be called Justice Center reveals the criminal conspiracy. This corrupt agency was renamed and relocated by Governor Cuomo to deceive the disabled, their families and the media after the extremely damning New York Times "Abused and Used" investigative reporting series on this horrific matter

<http://www.nytimes.com/interactive/nyregion/abused-and-used-series-page.html> . The criminal conspiracy surrounds the governor's bogus Justice Center hiding and concealing documents and evidence of sex crimes and many other types

of crimes, including homicides, from local police so that criminal investigations in most cases will never happen. No 911 call, no tape of the reported crime, no police report, no independent medical report , no criminal investigation, then it didn't happen is how New York State is operating under Governor Andrew Cuomo. You get the picture.

[Google](#) Governor Cuomo's supposed "Justice Center"; it has been exposed in a huge way by the Jonathan Carey Foundation, as well as by the AP News and BuzzFeed News. Here are the numbers regarding reported sexual assaults and rapes of the developmentally disabled alone (1 of 6 State mental health agencies) in New York State, approximately 325 reported cases of sexual assault every three months or 1,300 a year. It is critical that you understand that according to a very reputable study up on the State of Massachusetts website called "Prevalence of Violence" you will see that only 3% of sexual abuse of the developmentally disabled will ever be reported <http://www.mass.gov/dppc/abuse-recognize/prevalence-of-violence.html> . Do the math - multiply 1,300 times 33 to get the approximate real numbers which statistically would be 42,900 in a system of 126,000 developmentally disabled children and adults. Another way to look at these horror and astronomical atrocities is that approximately one third of the people with developmental disabilities will be sexually assaulted once every year.

Governor Cuomo knows about these atrocities, he has protected most of the criminals involved and he has taken no significant actions to stop or prevent any of these sex crimes or criminal cover-ups. Governor Cuomo must be investigated and criminally charged as soon as possible.

No longer can 911 and local police be bypassed. 911 call systems must be immediately called by all mandated reporters regarding all sexual abuse and obviously all other crimes and medical emergencies. Donate to support this vital Civil Rights Movement for the disabled and their families, but also for our country and the world, the maltreatment and unequal treatment of the disabled is an international societal problem that must be addressed now. People with disabilities are equal and just as valuable and precious as anyone else- period. <http://jonathancareyfoundation.org/donate/>
