

# Global Commercial Avionics Systems market is Expected to Reach \$31.23 billion by 2023

*Commercial Avionics Systems Market  
Research Report*

RAIPUR, INDIA, November 9, 2017  
/EINPresswire.com/ --

Report Sellers has added a new market research report "[Commercial Avionics Systems- Global Market Outlook \(2017-2023\)](#)" to its offerings.

According to Report, the [Global Commercial Avionics Systems market](#) is estimated at \$22.56 billion in 2016 and is expected to reach \$31.23 billion by 2023 growing at a CAGR of 4.7% from 2016 to 2023.

Factors such as rising trend of modernization of airspace, increasing passenger traffic in emerging economies and technological advancements in the aviation industry are influencing the market growth. In addition, Cutthroat competition among key players provides huge growth opportunity for the market. However, growing vulnerability of avionics to cyber attacks and strict regulatory framework are some key factors inhibiting the market growth.

Amongst Subsystems, flight control & management system segment dominated the global market. The growth for this segment is due to increasing requirement of real-time flight plan information sharing. Moreover, flight control & management system segment is anticipated to continue its dominance over the next five years. By Platform, defence segment commanded the largest market share. This is mainly due to growing number of aircraft and defense deals across region. Asia-Pacific region is anticipated to witness the highest growth rate in the global market in the coming years. This is due to the growth of the aviation sector in this region, thereby increasing the demand of market.

Some of the key players in the market include Avidyne Corporation, Air Data Inc., Astronics Max-Viz, BAE Systems Plc., Bendix/King, Cobham PLC, Curtiss-Wright Corporation, Esterline Technologies Corporation, Garmin Ltd., GE Aviation, Honeywell International Inc., L3 Technologies, Inc., Meggitt PLC, Rockwell Collins, Inc., Teledyne Technologies, Inc., Thales Group and United Technologies Corporation.

What does the Report Offers

- Market share assessments for the regional and country level segments
- Market share analysis of the top industry players

- Strategic recommendations for the new entrants
- Market forecasts for a minimum of 7 years of all the mentioned segments, sub segments and the regional markets
- Strategic recommendations in key business segments based on the market estimations
- Competitive landscaping mapping the key common trends
- Company profiling with detailed strategies, financials, and recent developments

## Report Scope

Global commercial avionics systems market has been segmented by aircraft types covered, components covered, systems covered, technologies covered, end users covered and regions covered

### Aircraft Types Covered:

Rotary Wing Aircrafts  
Fixed Wing Aircrafts  
Very Large Aircrafts  
Wide Body Aircrafts  
Narrow Body Aircrafts  
Regional aircraft

### Components Covered:

Power Block  
Thermal Energy Storage System  
Solar Field

### Systems Covered:

Integrated Modular Avionics  
Health monitoring systems  
Flight management systems  
Flight control systems  
Electrical & emergency systems  
Communication, Navigation, and Surveillance systems  
Cockpit Systems  
Central Maintenance Systems  
Cabin Systems  
Avionics Full-Duplex Switched Ethernet

### Technologies Covered:

Solar Tower  
Parabolic Trough  
Linear Fresnel  
Dish Stirling

### End Users Covered:

Utilities  
Enhanced Oil Recovery

### Regions Covered:

North America  
US

Canada  
Mexico  
Europe  
Germany  
UK  
Italy  
France  
Spain  
Rest of Europe  
Asia Pacific  
Japan  
China  
India  
Australia  
New Zealand  
Rest of Asia Pacific  
South America  
Argentina  
Brazil  
Chile  
Rest of South America  
Middle East & Africa  
Saudi Arabia  
UAE  
Qatar  
South Africa  
Rest of Middle East & Africa

## About Report Sellers

Report Sellers is a premium [market research service provider](#) offering market reports in varied sectors. We have a team of experienced analysts and publishers who continuously track the latest trends in different industries. Report Sellers is a brand of global repute and offers the best suited research services to its clients globally in the most satisfying manner. We have a strong network of industry experts who have successfully delivered complex research assignments in niche and top markets.
