

Gov. Cuomo's Sexual Abuse & Rape Cover-up Scheme

Sexual abuse and rape are crimes; not unfortunate incidents, it is imperative that they are handled as crimes and no longer internally swept under the rug

ALBANY, NEW YORK, UNITED STATES, November 10, 2017 /EINPresswire.com/ -- Tens of thousands of sexual assaults and rapes are occurring within Governor Andrew Cuomo's [extremely dangerous](http://www.einpresswire.com/shareable-preview/yVLT9UfvJ56NwuZ34VCZnw) New York State mental health care system every year, yet hardly any are ever prosecuted. <http://www.einpresswire.com/shareable-preview/yVLT9UfvJ56NwuZ34VCZnw> New York State's system is rampant with sexual abuse and it thrives because of a culture of internal reporting and criminal cover-ups. The people that [cover-up sex crimes](https://www.nytimes.com/2017/11/09/arts/television/louis-ck-sexual-misconduct.html) and rapes are usually far more dangerous than the original offender <https://www.nytimes.com/2017/11/09/arts/television/louis-ck-sexual-misconduct.html> and <https://www.usatoday.com/story/news/crime/2017/02/20/predators-dream-ny-pays-3m-family-molested-boy/98154714/>.

“ Gov. Cuomo is responsible, what Governor Cuomo has done violates numerous State and Federal laws and is the worst Discrimination in Civil Rights that still exists in New York State.”

Michael Carey

Following the award winning extremely damning New York Times “Abused and Used” investigative reporting series <http://www.nytimes.com/interactive/nyregion/abused-and-used-series-page.html> which was a runner up for a Pulitzer Prize, [Governor Cuomo](http://www.nytimes.com/interactive/nyregion/abused-and-used-series-page.html) took decisive actions to try protect himself and his agencies, not to protect people with disabilities or people with special needs. Governor Cuomo worked with the provider agencies to concoct a scheme to rename and relocate the internal reporting agency that was caught with its pants down; it was basically covering up everything. Bait and switch, putting lipstick on a pig, you get the picture; the governor very foolishly thought he was actually going to pull off his scheme by renaming it. The governor's house of cards, his fraudulent abuse hotline spun by the Governor to be called the Justice Center is crumbling. Almost the entire plan that Governor Cuomo and his top staff rolled out and portrayed as the toughest standards in the nation to protect the disabled is nothing short of a massive Medicaid fraud Ponzi -Scheme and massive criminal enterprise.

This is how Governor Andrew Cuomo's Medicaid Fraud/Criminal Cover-up Ponzi Scheme operates;

- The evil and crimes always seem to start around lots of money, power and control. State and Federal funds in the many billions annually that are controlled by the State are supposed to be used to provide safe care and services for people with disabilities and those struggling with mental health issues are being used for other purposes. The misappropriation of funds is mind boggling and astronomical in scope.
- Well connected people and entities use the vast majority of the money to enrich themselves or their friends, not to ensure the best and safest living environment for those in need. The natural consequences of such gross negligence and incompetence are massive numbers of sexual assaults,

rapes, physical assaults, negligence of care and criminally negligent deaths. The State's answer to the providers, don't worry about it, we'll make sure almost everything disappears.

- To cover-up literally almost everything happening behind closed doors, these crimes must be kept from the 911 call systems set up and in place to protect and immediately assist everyone. People with disabilities living in both State and private facilities and group homes throughout New York State do not have equal access to 911 emergency services, which is obviously discrimination. This is purposeful and in many cases deadly. The absolute vital key for this Scheme or plot to succeed is to ensure that local police, paramedics, Medical Examiners, Coroners and County elected District Attorney's are not notified and able to do their jobs. When this takes place anything can be covered-up.
- Governor Cuomo's wrongfully named Justice Center does just that, it purposefully ensures that most sex crimes occurring within State or private sub-contracted provider agencies, as well as other crimes and most deaths are handled internally and never reported to local authorities. Almost everything disappears by the directive of Governor Andrew Cuomo.
- Governor Cuomo had to ensure there was no oversight for his fraudulent Justice Center so he shut down all independent legal protection and advocacy entities, close to twenty, that were in place all across New York State. These entities were in place to help the disabled and they could go into any of these facilities at any time. So this is exactly what Governor Andrew Cuomo did to ensure the cover-ups, he shut them all down, they no longer exist.
- Governor Cuomo because of the scope of the money involved, the power and the vital need to control everything, in his mind he had to make the decision to control all public records, what would get out or not, all damaging information that could hurt him or his agencies and further expose these crimes. So this is exactly what Gov. Cuomo did, he took decisive actions to control public records and have FOIL requests go to his attorney's at the Capital <http://www.sandiegouniontribune.com/sdut-cuomos-office-tightly-controls-public-records-2014oct23-story.html> . Gov. Cuomo did this to hide and conceal State documents and records, evidence of crimes, specifically because of the New York Times "Abused and Used" investigative reporting series that used many State documents to expose the State.

The Jonathan Carey Foundation released publicly a timeline of what and when former Attorney General Cuomo and now Governor Cuomo have known and has been involved in regarding hiding and concealing most reported sexual assaults and rapes of people with disabilities, as well as many other crimes and deaths from local police and county elected prosecutors <http://www.einpresswire.com/article/414428414/cuomo-has-been-protecting-sexual-predators-for-over-a-decade?n=2> . The evidence is overwhelming. The sex crimes and cover-ups are astronomical in scope, but it is also important to bring to light the same is happening surrounding thousands of deaths within this same corrupt system. The Jonathan Carey Foundation laid out the case or indictment if you will of how most sex crimes disappear within Cuomo's agencies. Gov. Cuomo is responsible, what Governor Cuomo has done violates numerous State and Federal laws and is the worst Discrimination in Civil Rights that still exists in New York State.

The Criminal Conspiracy surrounds the governor's bogus Justice Center hiding and concealing documents and evidence of sex crimes and many other types of crimes, including homicides, from local police so that criminal investigations in most cases will never happen. No 911 call, no tape of the reported crime, no police report, no independent medical report , no criminal investigation, then it didn't happen is how New York State is operating under Governor Andrew Cuomo.

Governor Cuomo knows full well about these atrocities, he has protected most of the criminals

involved and he has taken no significant actions to stop or prevent any of these sex crimes or criminal cover-ups. Governor Cuomo must be investigated and criminally charged as soon as possible.

No longer can 911 and local police be bypassed. 911 call systems must be immediately called by all mandated reporters regarding all sexual abuse and obviously all other crimes and medical emergencies. Donate to support this vital Civil Rights Movement for the disabled and their families, but also for our country and the world, the maltreatment and unequal treatment of the disabled is an international societal problem that must be addressed now. People with disabilities are equal and just as valuable and precious as anyone else- period. <http://jonathancareyfoundation.org/donate/>
