"[Micro-influencer marketing](#), also known as friend-to-friend marketing, is considered to be the Holy Grail of online marketing right now," said Nadim Bradai, Founder and Owner of Buddy Marketing. "This consists of regular everyday people sharing brands that they like with their friends, resulting in the highest possible return on investment ever seen in influencer marketing."

Right now, Buddy Marketing is the only platform in the world that is delivering on [micro-influencing marketing](#) services. By capitalizing from the personal, innate connection that develops from friend-to-friend recommendations, Buddy Marketing is essentially providing grassroots, organic marketing for companies that need to get the momentum going.

Also as full-service digital marketing agency, Buddy Marketing provides comprehensive blog marketing, content marketing, forum marketing, app promotion and downloads, social media comments and interaction, and the list goes on. Visit the services page to see all the micro-influencer marketing services.

"Reports from the likes of Nielsen and other major institutions have confirmed that recommendations from friends remains the most credible form of advertising among consumers today," said Martijn van

Dijk. "Spread the word on the availability of our micro influencing services, and head on over to our website now to learn more about how we can spread the word regarding your business."

About Buddy Marketing
