

# Akanagi Group Wins Five Awards for Performance Investment Outlook

*The Fund Awards are granted annually to the funds in each classification that achieve the highest score using the Leader for Consistent Return methodology*

TOKYO, KANTO, JAPAN, November 30, 2017 /EINPresswire.com/ -- [Akanagi Group](#), a Pan Asian asset management business with experience across a range of asset classes that manages investments on behalf of individual clients, institutional investors and pension funds, wholesale distributors and platforms, financial advisers and their clients, today announced that three Akanagi Group mutual funds landed as the top-performing funds in their peer groups across various time frames, delivering outstanding risk-adjusted performance and a 5 year investment projection outlook. "Given the state of the bond market in recent years, we're gratified that our investment process has held up through waves of market volatility," said Sadaaki Takeuchi, Head of Fixed Income Investments. "When our products are consistently at the top of their respective industry categories, it's a testament to our team and our long-term investment process."

In addition, The Large-Cap Equity Portfolio ranked best in the 5-year outlook in its category. Large-Cap Value Team Leader Masateru Miura commented on his team's success: "Our clients are long-term investors. We appreciate the trust they've put in us, and do everything we can to provide them with value and consistency over time."

The Fund Awards are granted annually to the funds in each classification that achieve the highest score using the Leader for Consistent Return methodology, a measure of a fund's historical risk-adjusted returns excluding sales charges, relative to peers. Ratings for Consistent Return are computed for all classifications with five or more distinct portfolios.
