

Global Self-Consolidating Concrete Market is Expected to Grow with a CAGR of 10.9% from 2017-2023

Market Research Report on Global Self-Consolidating Concrete Market

RAIPUR, INDIA, November 30, 2017
/EINPresswire.com/ --

Report Sellers has added a new market research report "[Self-Consolidating Concrete Global Market Outlook \(2017-2023\)](#)" to its offerings.

According to Report, the [Global Self-Consolidating Concrete \(SCC\) Market](#) is expected to grow with a CAGR of 10.9% during the forecast period. Growing popularity of low-fines SSC- Smart Dynamic Concrete, improved air quality & a significant reduction in MRO costs and increased consumer emphasis on low-noise construction activities are the key factors propelling the market growth. On the other side, short usage of SCC in constructions and the huge price associated with using SCC are the major restraints hindering the market growth. Adding to this, non-requirement of vibration process in laying SCC and gradually recovering construction and housing sector globally in recent years are the major opportunities for the market growth.

Europe is the current leader in the world for SCC with largest market share. Asia Pacific dominates the market with its fast growing market worldwide. The construction sector is growing with lot of investments in the regions of China and India. Especially in India, it is expected to change drastically in the coming years, primarily because of the development and introduction of SCC by various companies.

Some of the key players in Global Self-Consolidating Concrete (SCC) Market include Unibeton Ready Mix, UltraTech Cement Limited, Tarmac (CRH), Sika Group, Lafarge, Kilsaran, Hope Construction Materials, Hong Leong Group, Heidelbergcement AG, Firth Concrete, CEMEX Group, Buzzi Unicem S.P.A., Breedon Group PLC, BASF SE, ACC Concrete Limited.

What does the Report Offers

Global Self-Consolidating Concrete Market Research Report

Market share assessments for the regional and country level segments
Market share analysis of the top industry players
Strategic recommendations for the new entrants
Market forecasts for a minimum of 7 years of all the mentioned segments, sub segments and the regional markets
Strategic recommendations in key business segments based on the market estimations
Competitive landscaping mapping the key common trends
Company profiling with detailed strategies, financials, and recent developments

Report Scope

Global Self-Consolidating Concrete Market has been segmented by SCC types covered, constituents covered, applications covered and regions covered

SCC Types Covered:

Viscosity
Modifying Agent and Combination
Powder

Constituents Covered:

Admixtures
Cement
Aggregates
Other Constituents

Applications Covered:

Infrastructure
Architectural
Residential
Precast Concrete
Other Applications

Regions Covered:

North America
US
Canada
Mexico
Europe
Germany
France
Italy
UK
Spain
Rest of Europe
Asia Pacific
China
India
Australia
New Zealand
Rest of Asia Pacific
Rest of the World
Middle East

Brazil
Argentina
South Africa
Egypt
