

Gov. Cuomo & Cardinal Dolan Ensure Protection of Sexual Predators in Sex Scandal

Day 4 of exposing Gov. Cuomo and Cardinal Dolan's combined efforts to ignore sexual assault victims with no public denial from either institutional leader

ALBANY, NEW YORK, UNITED STATES, December 4, 2017 /EINPresswire.com/ -- The current [sex scandal](#) in New York State is massive in scope and very similar to the one within the Catholic Church regarding the protection and shuffling of pedophile priests from parish to parish. How can anyone forget this sex scandal and how many Catholic Church leaders, with full knowledge, jockeyed pedophile priests, who are sexual predators, around from parish to parish allowing them to continue to violate and rape countless more children?

Please review these extremely important links that paint a clear picture of the disgusting and vile corruption;

“

Two powerful leaders in New York State, Gov. Cuomo & Cardinal Dolan have ensured 911 would not be called regarding sex crimes to protect sexual predators, pedophiles and rapists within the NYS system.”

You must understand most of the pedophile priests and church leaders involved in one way or another escaped justice and only some were exposed and publicly shamed. New York State's mental health care system is no different, the sexual assault, rapes and sodomizing of vulnerable children and

adults is astronomical in scope. The purposeful protection of most of these sexual predators, [pedophiles](#) and rapist caregivers is the exact same as what the Catholic Church was doing. Governor Cuomo and other top State leaders have made sure 911 is bypassed so local police cannot respond to these horrific and heinous sex crimes.

For over ten years Attorney General Cuomo and then Governor Andrew Cuomo have protected countless sexual predators, pedophiles and rapists within State run and private mental health facilities and group homes from firing and prosecution. This timeline proves years of Governor Andrew Cuomo's direct involvement. <http://www.einpresswire.com/article/414428414/cuomo-has-been-protecting-sexual-predators-for-over-a-decade?n=2>

Governor Andrew Cuomo and [Cardinal Timothy Dolan](#) have worked hard together to protect institutional sex abuse and cover-ups of most of these crimes. In attempts to protect their institutions and vast amounts of money, they have negated their responsibilities to the most vulnerable people they are supposed to serve and protect. Both Governor Cuomo and Cardinal Dolan must be removed from their positions of authority as swiftly as possible. Covering-up or aiding and abetting in the cover-ups of literally thousands of sexual assaults and rapes of people with disabilities are far worse crimes. Governor Cuomo and Cardinal Dolan have allowed countless sexual predators, pedophiles and rapists to continue to remain in the mental health care system to be able to severely harm and rape thousands of vulnerable children and adults with disabilities. This evil must be stopped and the two top people protecting this scandalous sex cover-up scheme must be held fully accountable for their involvement.

Governor Cuomo needed Cardinal Dolan on his side from the very beginning so the governor set an entire week aside to honor Cardinal Dolan, to get his favor, yet Cardinal Dolan was already involved in trying to protect and shield massive amount of money from being paid out to sexual assault victims that were preyed on by Catholic priests.

The Jonathan Carey Foundation's extensive investigative work has uncovered wide-scale systemic sexual abuse of the disabled in residential care facilities and group homes and the wide-scale cover-ups. Almost all reported sexual assaults and rapes of people with disabilities are directly reported internally to Governor Cuomo's abuse hotline, not to 911, and they are covered-up. Both Governor Cuomo and Cardinal Timothy Dolan have full knowledge of these criminal activities and have tried to protect the institutions they lead, for years now, from public shame and massive payouts to these vulnerable sexual assault victims.

"New York State documents obtained through Freedom of Information Law (FOIL) dating back to 2005 reveal that the New York State OPWDD system has a culture of sexual abuse, rape and cover-ups. Thousands of reported sex crimes committed against the disabled are never reported to local police or District Attorney's and are disappearing within the system that former Attorney General Cuomo and now Governor Cuomo has protected with a vengeance

<http://www.einpresswire.com/article/414428414/cuomo-has-been-protecting-sexual-predators-for-over-a-decade?n=2> . State data, as well as this well known study found on the State of Massachusetts website titled, Prevalence of Violence, <http://www.mass.gov/dppc/abuse-recognize/prevalence-of-violence.html> point to possibly one third of developmentally disabled residents within Governor Cuomo's OPWDD system being sexually assaulted annually. In the OPWDD system of 126,000 developmentally disabled children and adults, many of whom cannot speak to tell anyone anything, there are upwards of 43,000 victims of sexual assaults or rape every year. Try to wrap your mind around the staggering scope of what I am bringing to your attention." - Michael Carey

The sexual assaults, rapes, acts of sodomy, and the cover-ups of most of these crimes continue because Governor Cuomo and Cardinal Dolan continue to look the other way. Behind closed doors and in the dark, countless sexual predators and pedophiles continue to rape and prey on the most vulnerable literally almost anytime they like. Most of these very sick and disturbed people, whom are criminals, continue to escape justice, escape firing and escape any sexual abuse registry to run wild and severely harm the disabled, but also, who knows how many other sexual assault victims in the general public? When leaders protect sexual predators, pedophiles and rapists, these leaders aid and abet them, allowing these sexual deviants to simply continue to do what they do. The Jonathan Carey Foundation is bringing these horrific heinous crimes and atrocities to light in hopes that most of this evil will ultimately be stopped.

For the last few years Cardinal Timothy Dolan has ignored many complaints and pleas for help for the disabled victims by leading advocate Michael Carey forcing Carey to finally expose Cardinal Dolan publicly <https://www.einpresswire.com/article/418825149/cardinal-timothy-dolan-s-silence-for-years-has-protected-cuomo-countless-sexual-predators-pedophiles> . The complaints to Cardinal Dolan were about rampant abuse of the disabled and cover-ups. The over a dozen complaints were also about Governor Cuomo and his actions and his in-actions and the bypassing of 911 call systems that have

allowed countless sexual assault victims throughout the New York State mental health care system to be raped or sodomized by known sexual predators. Michael Carey in these numerous written complaints asked Cardinal Dolan to intervene to protect the most vulnerable, but Cardinal Dolan instead chose to protect Governor Cuomo and the sexual predators, pedophiles and rapists. The award winning movie "Spotlight" that visually brought to light the most scandalous sex cover-up scheme ever mirrors the sex cover-ups of the disabled. The New York State mental health care system and scandalous sex cover-up scheme is very close, if not larger in scope.

Remember these words spoken from a convicted pedophile of Governor Cuomo's system calling it "a predators dream."

The pedophile and former New York State employed caregiver that was eventually caught in a federal porn sting, called New York's system controlled by Governor Andrew Cuomo "a predator's dream"

<https://www.usatoday.com/story/news/crime/2017/02/20/predators-dream-ny-pays-3m-family-molested-boy/98154714/>

Here is the direct quote from this AP News story written by David Klepper;

"New York State is paying \$3 million to the family of developmentally disabled boy repeatedly molested by a staffer at a state-run group home who later wrote that lax supervision at the facility made it "a predator's dream."

Most sex crimes, as well as many other crimes and deaths, are easily covered-up internally because they are being directed to be called to Governor Cuomo's internal abuse hotline, instead of to 911, where they must go. No longer can 911 call systems, local police and local courts be bypassed. 911 call systems must be immediately called by all mandated reporters regarding all sexual assaults and rapes, as well as obviously all other assault crimes, medical emergencies and deaths. Currently, under Governor Cuomo's directive, almost all sex assault and rapes of people with disabilities which are obviously crimes disappear internally, they are covered-up. This evil and these gross injustices must be stopped and the people involved in the greater crimes and criminal conspiracy to protecting sexual predators, pedophiles and rapists must be held fully accountable.
