

Image One Facility Solutions Celebrates 100th Franchise Owner Milestone

Expanding Commercial Cleaning Brand Joins Elite Club of Franchises

ROLLING MEADOWS, IL, USA, December 4, 2017 /EINPresswire.com/ -- Image One Facility Solutions, a top commercial cleaning franchise recognized for owner satisfaction and affordability, continues its ascent as a service industry franchise. Image One is announcing it has reached a symbolic milestone in the world of franchising — there are now more than 100 franchise owner-operators in its system.

“I’m proud of what our team has accomplished in becoming a 100+ unit franchise; our franchise owners and corporate staff have worked tirelessly to achieve this milestone,” said Image One President and Co-Founder Tim Conn. “We’ve achieved this through a strong commitment to our franchisees, and truly caring about our family of franchise owners who are driven to build their commercial cleaning businesses. It is the teamwork between our staff and franchisees that has brought us to where we are today.”

According to franchise market research firm FranData, less than 20 percent of franchises in operation contain more than 100 units. Along the way to reaching this major milestone, influential news outlets have named Image One a top low-cost franchise, including CNBC.com, Entrepreneur.com and Franchise Business Review.

Tim Conn, President of Image One

Franchising since 2011 and with a corporate headquarters in the Chicago suburbs, Image One launched a unique franchise affiliate program in 2015 to further expand the franchise nationwide. Since then, the franchise has added owners in regions across the country, including in Cincinnati, Denver, Detroit, Fort Myers, Nashville and Orlando. There remains a number of opportunities for franchise ownership in other prominent markets across the nation.

In an Image One franchise affiliate arrangement, individual owners market goods and services for their Image One franchise as a way to drive additional revenue on their own. This approach empowers entrepreneurs who are involved in their community to capitalize on existing relationships to develop a variety of new accounts, ranging from offices and movie theaters to auto dealers and medical facilities with a whole crew of dedicated employees.

Image One provides necessary training, tools and support to help franchise affiliates build their business, including teaching franchisees the latest cleaning techniques and empowering them with insights on best-in-class equipment and technology. Ongoing training is delivered both at Image One's corporate headquarters and onsite at existing client locations to ensure that franchisees continue to grow their own businesses.

The cost to open an Image One franchise ranges from \$15,000 to \$50,000 depending on down payment — the company offers an in-house financing option for qualified candidates — along with equipment purchased and other factors. Startup costs are among the most affordable in the franchise industry compared to other service opportunities.
