

The Worst of the Worst are Leaders that Protect Sexual Predators, Gov. Cuomo & Cardinal Dolan

Most women and young girls with disabilities sexually assaulted & raped in group homes cannot add their names to the #MeToo list, so we must be their voice

ALBANY, NEW YORK, UNITED STATES, December 8, 2017 /EINPresswire.com/ -- The [sex scandal](#) of epic proportion that must come to light and end now involves New York State and the Catholic Church's collaborative efforts to shuffle or jockey sexual predator and pedophile caregivers from group home to group home. The same wicked pattern of protecting pedophile priests was exposed by the Boston Globe's, Spotlight investigative reporting team in 2002; their hard work won them a Pulitzer Prize.

Keeping most sexual assault and rape crimes from 911, local police, criminal investigations, District Attorneys and courts is how Gov. Cuomo and Cardinal Dolan are protecting thousands of sexual predators & pedophiles

Watch this less than 3 minute "Spotlight" movie trailer than please watch the full movie as soon as you can to fully grasp and understand how horrific sex crimes committed against vulnerable people with disabilities also get buried and covered-up. Try to wrap your mind around how many people have to be involved to protect powerful institutions that are more damn concerned about money and protecting themselves.

“

Gov. Cuomo & Cardinal Dolan have protected countless sexual predators, pedophiles and rapists allowing them to prey on and rape our most vulnerable”

Here is the first Boston Globe Spotlight investigative team exposé that started it all.

Church allowed abuse by priest for years

Aware of Geoghan record, archdiocese still shuttled him from parish to parish

<https://www.bostonglobe.com/news/special-reports/2002/01/06/church-allowed-abuse-priest-for-years/cSHfGkTlrAT25qKGvBuDNM/story.html>

This bombshell exposé started the avalanche of revelation that Catholic Church leaders were knowingly allowing pedophile priests to sexually victimize and rape hundreds of more innocent children. Here is from the very beginning of this incredible news piece that had to come out;

“Since the mid-1990s, more than 130 people have come forward with horrific childhood tales about how former priest John J. Geoghan allegedly fondled or raped them during a three-decade spree through a half-dozen Greater Boston parishes.

Almost always, his victims were grammar school boys. One was just 4 years old.

Then came last July’s disclosure that Cardinal Bernard F. Law knew about Geoghan’s problems in 1984, Law’s first year in Boston, yet approved his transfer to St. Julia’s parish in Weston.”

Just a little later in this same exposé which you must read for yourselves because the truth come out. What was written shines a light on the much bigger problem, which is the worst of the worst offenders, those that protect and shield sexual predators and [pedophiles](#), which allows them to continue to do what they do, which is to commit crimes, rape and destroy lives.

“Now, as Geoghan faces the first of two criminal trials next week, details about his sexual compulsion are likely to be overshadowed by a question that many Catholics find even more troubling: Why did it take a succession of three cardinals and many bishops 34 years to place children out of Geoghan’s reach?”

Here are some of many news stories regarding the massive Catholic Church payouts, in the multiple billions of dollars, to victims of sexual predator and pedophile priests.

You must understand most of the pedophile priests and church leaders involved in one way or another escaped justice and only some were exposed and publicly shamed. New York State’s mental health care system is no different, the sexual assault, rapes and sodomizing of vulnerable children and adults is astronomical in scope. The purposeful protection of most of these sexual predators, pedophiles and rapist caregivers is the exact same as what the Catholic Church was doing. Governor Cuomo and other top State leaders have made sure 911 is bypassed so local police cannot respond to these horrific and heinous sex crimes.

For over ten years Attorney General Cuomo and then Governor Andrew Cuomo have protected countless sexual predators, pedophiles and rapists within State run and private mental health facilities and group homes from firing and prosecution. This timeline proves years of Governor Andrew Cuomo’s direct involvement.

Governor Andrew Cuomo and [Cardinal Timothy Dolan](#) have worked hard together to protect institutional sex abuse and cover-ups of most of these crimes. In attempts to protect their institutions and vast amounts of money, they have negated their responsibilities to the most vulnerable people they are supposed to serve and protect. Both Governor Cuomo and Cardinal Dolan must be removed from their positions of authority as swiftly as possible. Covering-up or aiding and abetting in the cover-ups of literally thousands of sexual assaults and rapes of people with disabilities are far worse crimes. Governor Cuomo and Cardinal Dolan have allowed countless sexual predators, pedophiles and rapists to continue to remain in the mental health care system to be able to severely harm and rape thousands of vulnerable children and adults with disabilities. This evil must be stopped and the two top people protecting this scandalous sex cover-up scheme must be held fully accountable for their involvement.

Governor Cuomo needed Cardinal Dolan on his side from the very beginning so the governor set an entire week aside to honor Cardinal Dolan, to get his favor, yet Cardinal Dolan was already involved in trying to protect and shield massive amount of money from being paid out to sexual assault victims that were preyed on by Catholic priests.

The Jonathan Carey Foundation's extensive investigative work has uncovered wide-scale systemic sexual abuse of the disabled in residential care facilities and group homes and the wide-scale cover-ups. Almost all reported sexual assaults and rapes of people with disabilities are directly reported internally to Governor Cuomo's abuse hotline, not to 911, and they are covered-up. Both Governor Cuomo and Cardinal Timothy Dolan have full knowledge of these criminal activities and have tried to protect the institutions they lead, for years now, from public shame and massive payouts to these vulnerable sexual assault victims.

Here are numerous very important additional news links that paint the clear picture and connect the dots, always remember, follow the money. It is about keeping billions of dollars flowing into both institutions and minimizing the damages and the amounts of money going out to the victims. Powerful people and powerful institutions serving themselves and not the most vulnerable among us that simply need safe care and services and the same equal access to 911 emergency first responders and equal protection of laws.

Remember these words spoken from a convicted pedophile of Governor Cuomo's system calling it "a predators dream."

The pedophile and former New York State employed caregiver that was eventually caught in a federal porn sting, called New York's system controlled by Governor Andrew Cuomo "a predator's dream"

<https://www.usatoday.com/story/news/crime/2017/02/20/predators-dream-ny-pays-3m-family-molested-boy/98154714/>

Here is the direct quote from this AP News story written by David Klepper;

"New York State is paying \$3 million to the family of developmentally disabled boy repeatedly molested by a staffer at a state-run group home who later wrote that lax supervision at the facility made it "a predator's dream."

Most sex crimes, as well as many other crimes and deaths, are easily covered-up internally because they are being directed to be called to Governor Cuomo's internal abuse hotline, instead of to 911 where they must go. No longer can 911 call systems, local police and local courts be bypassed. 911 call systems must be immediately called by all mandated reporters regarding all sexual assaults and rapes, as well as obviously all other assault crimes, medical emergencies and deaths. Currently, under Governor Cuomo's directive, almost all sex assault and rapes of people with disabilities which are obviously crimes disappear internally, they are covered-up. This evil and these gross injustices must be stopped and the people involved in the greater crimes and criminal conspiracy to protecting sexual predators, pedophiles and rapists must be held fully accountable.
