

Fast Growing Pet Gear Company Donates Over \$1,000,000 in Goods to Dog Rescues in Just Over 2 Years in Business

Max and Neo Dog Gear, which donates 1 for 1 for every product sold, has just surpassed \$1,000,000 in donations of dog products to about 1000 dog rescues.

SCOTTSDALE, AZ, USA, December 13, 2017 /EINPresswire.com/ -- A two year old startup company, Max and Neo Dog Gear has reached a milestone this month by donating over \$1,000,000 worth of its dog products to almost 1000 dog rescues and shelters within the United States. In case you are wondering how many collars and leashes that amounts to, it comes out to just over 71,000 units.

Founded in September 2015, the Max and Neo Dog Gear has seen tremendous growth within the pet industry. Each day it is moving towards its mission goal which is to supply every rescue in the USA with much needed dog products such as leashes, collars, harnesses, toys, beds, supplements and more.

The founder, Kenric Hwang states, "We had trouble keeping up with inventory this past year due to our sales growth. Because we donate one for one, we need double the amount of inventory compared to a normal retail business. The challenge for us has been to maintain a constant supply of inventory for both our customers and the dog rescues."

“

Reaching the million dollar mark is a great milestone, but we still have a lot to do. We would like to be able to donate to more rescues more often.”
