

Cuomo Must Resign, Gillibrand Still Silent & Complicit

Countless women and children are being raped by sexual predators within Cuomo's agencies and he has ensured most of these sex crimes never get to the police

ALBANY, NEW YORK, UNITED STATES, December 14, 2017 /EINPresswire.com/ -- [Senator Gillibrand](#) has known about these criminal cover-ups for two and a half years and she has not yet publicly called for Governor Cuomo's resignation. What is Senator Kirsten Gillibrand waiting for? How many more women and children with disabilities must be raped before emergency actions are taken by Senator Gillibrand to ensure the resignation of [Governor Andrew Cuomo](#)?

Senator Kirsten Gillibrand cannot continue to be silent and complicit regarding Governor Cuomo's involvement in protecting countless sexual predators instead of the victims of horrific sexual violence and rape.

Why isn't Senator Gillibrand speaking out to defend women and girls that have different types of disabilities that are victims of sex crimes? Women and girls with disabilities are sexually assaulted considerably more than other women and children, studies show up to ten times more. Please click on this link to read this important and highly recognized study titled, "Prevalence of Violence" that reveals these facts.

“

While Senator Gillibrand had the national stage yesterday, she refused to call for Governor Andrew Cuomo's resignation for his involvement in protecting countless sexual predators.”

Michael Carey - Advocate for people with disabilities and their families

Leading advocate for people with disabilities, Michael Carey, the founder of the Jonathan Carey Foundation, asked Senator Gillibrand for her help to protect the disabled in a series of emails beginning in June of 2015. Here is from the letter sent by email from Michael Carey to Senator Gillibrand a few days ago on December 11th which has not been responded to yet, that must now become public;

“Dear Senator Gillibrand,

These matters below that I have brought to your direct attention over a dozen times now also surround the purposeful cover-ups of most reported sexual assaults and rapes of women and children with disabilities by Governor Andrew Cuomo and his top staff. I am requesting that you move swiftly regarding this now, due to the severity of these crimes, and the fact that disabled women and children

are far more vulnerable than most women because of their disabilities and age.

Literally thousands of reported sexual assault and rape cases have been covered-up to protect the sexual predators, [pedophiles](#) and rapists allowing them to rape these vulnerable individuals at will. This is an EMERGENCY of epic proportion and I am asking that you treat the disabled minimally the same as all other sexual assault victims. As you know, we must go the extra mile and defend the defenseless and our most vulnerable.

Please respond in writing and in multiple actions swiftly. Thank you.

Sincerely,

Michael Carey”

Senator Gillibrand has claimed to be a champion for women's rights and she has taken on the cause of sexual harassment and sexual assaults against women, but she has forgotten the women and young girls with disabilities.

Here are a few excerpts from yesterday's letter sent by email early in the day;

“Dear Senator Gillibrand,

You cannot continue to be silent about Governor Cuomo's involvement in protecting countless sexual predators instead of the victims of horrific sexual violence and rape.

Governor Andrew Cuomo operates the fraudulent agency, that I have brought to your attention over a dozen times now, that is systematically making almost all sexual assaults and rapes of women and children with disabilities disappear, most are covered-up. Governor Cuomo is protecting countless sexual predators, pedophiles and rapists of the disabled by keeping most reported sexual assaults and rapes, crimes, reported by mandated reporters from local police, from criminal investigations and from County elected District Attorney's, which obviously protects them and shields them from prosecution.”

“I must end this email with another strong appeal to you personally on behalf of women and children with disabilities that are sex crime victims. Senator Gillibrand, you can no longer remain silent publicly regarding Governor Cuomo involvement and protection of countless sexual predators and rapists. Obviously, you must immediately publicly call for Governor Cuomo's resignation.

Women and children with disabilities in most cases, as you well know, can never speak or defend themselves against their sexual predators or those that protect and enable them, nor could they sign up on #MeToo, so I am representing and advocating for them.” - Michael Carey

While Senator Gillibrand had the national stage yesterday, she refused to call for Governor Andrew Cuomo's resignation for his involvement in protecting countless sexual predators. Why hasn't Senator Gillibrand called for Governor Cuomo's resignation long ago or now? A simple Google search found the answer;

Who got Harvey Weinstein's campaign cash and who gave it away

“Harvey Weinstein's pattern of alleged sexual misconduct has New York politicians distancing themselves from the disgraced movie mogul, whose copious campaign contributions aided mostly Democrats for years.

Gov. Andrew Cuomo, Senate Minority Leader Charles Schumer and Sen. Kirsten Gillibrand were among the New York Democrats who pledged last week to donate their contributions from Weinstein, vowing to send them to various women's organizations.”

Who got Weinstein's cash?

- Gov. Andrew Cuomo (\$118,203)
- Sen. Kirsten Gillibrand (\$11,800)

As the national spotlight is on sexual harassment, sexual abuse, rape, cover-ups and people enabling sexual predators, it is time that the worst of the worst are exposed and removed from being able to harm or allow the harm of many other victims.

We cannot forget the women and girls that have disabilities that are victims of sexual violence. We also cannot forget the little boys and men, especially the extremely vulnerable and non verbal, the developmentally disabled and those with autism that are being sexually violated in huge numbers in New York State run and privately operated mental health facilities and group homes.

Governor Andrew Cuomo has been protecting countless perverts, sexual predators, pedophiles, sexual deviants, and rapists within New York State mental health agencies for over a decade. He has been doing so with full knowledge of the wide-scale scope and the criminal nature from his tenure as the New York State Attorney General and his entire tenure as the Governor of New York State.

The Jonathan Carey Foundation and Michael Carey cannot be silent, these sex crimes and cover-ups occurring in astronomical scope are atrocities and they cannot continue. Most of these horrors, sex crimes and cover-ups can easily be prevented, but nothing is being done to stop what is going on. It is hard clean up a corrupt system when the Governor of New York State is directly involved in the cover-ups. Governor Andrew Cuomo's mental health agencies are rampant with sexual abuse, they are grossly and incompetently run, they are animal houses.

Following the New York Times “Abused and Used” investigative reporting series <http://www.nytimes.com/interactive/nyregion/abused-and-used-series-page.html> which revealed horrific systemic abuses of the disabled, there were two follow-ups by the New York Times, one by Danny Hakim and the second by the NY Times Editorial Board. Please read both, they are extremely important and enlightening.

Here are some damning statements against Governor Cuomo from the New York Times Editorial Board;

<http://www.nytimes.com/2013/08/10/opinion/protecting-the-most-vulnerable.html>

“Two-and-a-half years ago, The Times reported horrifying abuse of people with developmental disabilities or mental illnesses by state employees, who were rarely punished for it. Gov. Andrew Cuomo promised action. But too little appears to have changed.”

“There is much the governor could do. He could require surveillance cameras in these facilities, just as prisons have them. He could make sure that the police get more involved.”

Governor Cuomo knows about these atrocities, he has protected most of the criminals involved and he has taken no significant actions to stop or prevent any of these sex crimes or criminal cover-ups. Michael Carey met with Governor Cuomo in May of 2012 and Governor Cuomo ignored Michael Carey's requests for surveillance cameras and immediate 911 reporting of all sex crimes, emergencies and deaths. Governor Cuomo told Carey he wanted cameras, but then he said the unions did not want them, so he did nothing. Instead of taking emergency actions to stop and prevent rapes of disabled women and children and to ensure their sexual predators were caught and prosecuted, Governor Cuomo chose to protect the sexual predators, pedophiles and rapists. Governor Cuomo must be investigated and criminally charged as soon as possible. Here is an extensive timeline of what Governor Andrew Cuomo has known about and has protected for over ten years.

<http://www.einpresswire.com/article/414428414/cuomo-has-been-protecting-sexual-predators-for-over-a-decade?n=2>

Decisive actions, many of them, have been taken by Governor Andrew Cuomo to hide and conceal these horrific crimes from the local authorities, but also from the general public and the media by violating New York State Freedom of Information Law (FOIL). You are going to want to read this news story and see how Governor Cuomo directed FOIL requests to funnel through his office because of the previous exposure of State documents used in the NY Times “Abused and Used” investigative reporting series.

<http://www.sandiegouniontribune.com/sdut-cuomos-office-tightly-controls-public-records-2014oct23-story.html>

Most sex crimes, as well as many other crimes and deaths, are easily covered-up internally because they are being directed to be called to Governor Cuomo's internal abuse hotline, instead of to 911 where they must go. No longer can 911 call systems, local police and local courts be bypassed. 911 call systems must be immediately called by all mandated reporters regarding all sexual assaults and rapes, as well as obviously all other assault crimes, medical emergencies and deaths. Currently, under Governor Cuomo's directive, almost all sex assault and rapes of people with disabilities which are obviously crimes disappear internally, they are covered-up. This evil and these gross injustices must be stopped and the people involved in the greater crimes and criminal conspiracy to protecting sexual predators, pedophiles and rapists must be held fully accountable.
