The Really Twins show was recently promoted during NFL Games on Thursday Night Football and ESPN Monday Night Football including the special Christmas presentation. The “Really Twins” children’s/tweens adventure series is now in its second season. Austin and Brandon (age 12) who believe it or not are “Really Twins” do crazy experiments that you shouldn’t do (and they shouldn’t either, but they do them anyway), silly challenges, and take you to places you’ve never been. Really Twins has been the number one Children’s (non-animated) Virtual Reality series in the world.

VR platform and now tops the featured videos on VeeR VR as well.

Really Twins is produced by [ReelTime VR](#) a leader in Virtual Reality production which is publicly traded (OTCPK:RLTR).

Really Twin Austin stated: “It is exciting that we are now part of the international community that uses VeeR VR to watch had picked content. To be the top featured video on VeeR VER ever is quite an

honor but to have it happen just days after our initial launch is even better.” Really Twin Brandon exclaimed: “There are some very cool VR videos and experiences on VeeR VR. I am just glad that people are watching and enjoying our show. It is a little strange that so many people outside of the country are experiencing what we get to do for fun. It is a lot of work but it is also pretty fun. About ReelTime VR: ReelTime Rentals, Inc.
