

# Cuomo's 'discrimination in civil rights' protects sexual predators

*Cuomo and other government officials in New York attempt to defend DACA and illegal immigrants, yet ignore the safety and equal rights of disabled New Yorkers*

ALBANY, NEW YORK, UNITED STATES, January 5, 2018 /EINPresswire.com/ -- The New York State Constitution says it is discrimination in civil rights to deny anyone equal protection of laws, yet [Governor Andrew Cuomo](#) is ignoring the Constitution and ignoring people with disabilities safety and equal rights. Instead of protecting 1,000,000 of New York State's most vulnerable residents' rights, Governor Cuomo is attempting to protect illegal immigrants. Nowhere in the Constitution does it say that people here illegally have the right to be here.

The most dangerous people and criminals are those that protect and shield sexual predators and rapists allowing them to continue to rape and destroy more innocent victims' lives - Governor Andrew Cuomo is the worst of the worst and extremely dangerous.

Section 11 of Article 1 of the New York State Constitution;

[https://ballotpedia.org/Article\\_1,\\_New\\_York\\_Constitution#Section\\_11](https://ballotpedia.org/Article_1,_New_York_Constitution#Section_11)

“

Gov. Cuomo is protecting and shielding sexual predators from prosecution and ignoring the civil and equal rights of women and children sexual assault and rape victims”

*Michael Carey - Advocate for people with disabilities and their families*

Section 11: Equal Protection of Laws; Discrimination in Civil Rights Prohibited

“No person shall be denied the equal protection of the laws of this state or any subdivision thereof. No person shall, because of race, color, creed or religion, be subjected to any discrimination in his or her civil rights by any other person or by any firm, corporation, or institution, or by the state or any agency or subdivision of the state.”

At the very same time that Governor Cuomo is ensuring that most sexual predators, [pedophiles](#) and rapists committing the most heinous sex crimes against the disabled in his mental

health agencies escape justice he is trying to defend DACA and illegal's. It does not get any more insane than this; it is if the governor has gone mad. We have laws on the books, we have a New York State Constitution, as well as a U.S. Constitution and Governor Cuomo is cherry picking what laws or parts of the constitutions he wants to honor and obey, it is ludicrous and it is without question insanity.

The 14th Amendment of the U.S. Constitution clearly says this;

[https://en.wikipedia.org/wiki/Fourteenth\\_Amendment\\_to\\_the\\_United\\_States\\_Constitution](https://en.wikipedia.org/wiki/Fourteenth_Amendment_to_the_United_States_Constitution)

“The Equal Protection Clause requires each state to provide equal protection under the law to all people, including all non-citizens, within its jurisdiction. This clause has been the basis for many decisions rejecting irrational or unnecessary discrimination against people belonging to various groups.”

New York State mental health agencies are rampant with sexual abuse and rape and most of these atrocities occurring within Cuomo’s agencies are not being reported to 911, but instead, they are internally reported to another one of Cuomo’s agencies where most are covered-up.

Years of State documents reveal the reported cases within one agency alone to be 325 every three months or 1,300 within OPWDD annually. A very reputable study says only 3% of these sex crimes are ever reported making the real possible numbers to be close to 43,000 sexual assaults every year of people with developmental disabilities in New York State.

For over ten years, from 2007 to present, Attorney General Cuomo and then Governor Andrew Cuomo have protected countless sexual predators, pedophiles and rapists within State run and private mental health facilities and group homes from being fired, from being prosecuted and from being placed on the sex abuse registry. This timeline proves years of Governor Andrew Cuomo’s direct involvement.

Governor Cuomo is the kingpin, he is directly involved in a very sick and illegal scheme to protect and shield most sexual predators and rapists from firing and from criminal prosecution. The main motive is to protect and hide his [Medicaid fraud](#) Ponzi Scheme where billions of dollars are misappropriated.

Governor Andrew Cuomo’s willful actions and in-actions have protected countless sexual predators and rapists, allowing them to thrive and violate God only know how many more innocent victims. – Michael Carey

Governor Andrew Cuomo has gotten away with covering-up thousands of rapes and sexual assaults of the disabled by bypassing; the 911 call systems, local first responder police and medical personnel and the normal criminal justice system. It is as if Governor Cuomo is treating 1,000,000 New Yorker’s with disabilities as a sub-class of human being unworthy of the basic civil rights everyone else in society receives. Governor Cuomo went as far as appointing his own State employee to circumvent county elected prosecutors to cover-up most sexual assaults and rapes, ignoring Article 13 Section 13 of the New York State Constitution which says the sex crimes, and all crimes, within each county must be prosecuted by an elected District Attorney of that county.

[https://www.dos.ny.gov/info/constitution/article\\_13\\_public\\_officers.html](https://www.dos.ny.gov/info/constitution/article_13_public_officers.html)

“In each county a district attorney shall be chosen by the electors once in every three or four years as the legislature shall direct.”

“Any district attorney who shall fail faithfully to prosecute a person charged with the violation in his or her county of any provision of this article which may come to his or her knowledge, shall be removed from office by the governor, after due notice and an opportunity of being heard in his or her defense.”

People with disabilities in New York State are being discriminated against and the civil rights violations against them are egregious. Denying any vulnerable disabled women or child, that is a victim of a rape crime, while living within a mental health facility or group home, immediate police and medical assistance denies them equal protections of laws. This discrimination in civil rights is no different than what Dr. Martin Luther King Jr. fought against over 50 years ago. For years, Governor Cuomo has ignored leading Civil and Disability Rights Advocate, Michael Carey’s, demands for the cessation of this wide-scale discrimination in civil rights.

Governor Cuomo, instead, chose to protect sexual predators and rapists from being jailed leaving everyone’s children in New York State potentially in danger. When these sexually deviant individuals escape prosecution and the sex abuse registry, no one knows if they are living next door or in their neighborhood. This pedophile New York State employee/caregiver escaped justice for years and would be still raping children if he wasn’t finally apprehended by the feds.

'It was a predator's dream': NY pays \$3M to family of molested boy

<https://www.usatoday.com/story/news/crime/2017/02/20/predators-dream-ny-pays-3m-family-molested-boy/98154714/>

This news story, quite frankly, will make you sick. This extremely disturbing statement made by this pedophile speaks volumes of Governor Andrew Cuomo's mental health care system;

"The lack of supervision there made it easy to do what I did," DeProspero said in a handwritten affidavit obtained by The Associated Press. "I could have stayed in that house for years and abused him every day without anybody even noticing at all. It was a predator's dream."

Justice demands that these sex crimes and the people involved in the cover-ups are swiftly prosecuted. Justice demands that no one is silent or complicit as these sex crime cover-up atrocities continue. Most of these horrors, sex crimes and cover-ups can easily be prevented. It is hard clean house though when the Governor of New York State is directly involved in the cover-ups. Governor Andrew Cuomo’s mental health agencies are rampant with sexual abuse, they are grossly and incompetently run, they are literally like animal houses. Remember this statement made by a convicted pedophile of Cuomo’s system, let it be burned within your heart and mind, it is “a predators dream.”

No longer can 911 and local police be bypassed, 911 call systems must be immediately called by all mandated reporters regarding all sexual abuse and rapes. Currently, Governor Cuomo has directed these sex crimes to be internally reported where almost all disappear.

NY Gov. Andrew Cuomo has a History of Protecting Sexual Predators & Rapists.

Governor Andrew Cuomo must be removed from office, indicted and prosecuted to the full extent of the law; these most heinous acts are State and federal crimes.
