

GANGSTER ADDISON DIAZ NOW AN INFORMANT FOR CURACAO JUSTICE DUTCH PROSECUTORS

From a heavy criminal to an informant of the prosecuting office in Curacao

WILLEMSTAD, DUTCH CARIBBEAN, CURACAO, January 8, 2018

/EINPresswire.com/ -- Addison Diaz now is an [informant](#) for [dutch prosecutors](#) in the justice department in Curacao, for a long time already while in prison he has been spying on other criminals that are jailed. Two cases that are unsolved by the local justice of Curacao are the ones that he has been supplying either true or false information to the authorities. The deal he made is to cooperate and in

return he will receive reduction of prison time. The problem is that a heavy [criminal](#) involved in so many assassination has many still pending unsolved matters on the streets, and our sources tell us that to him it doesn't matter if he supplies the authorities false information.

The prosecuting office in Curacao has not been able to solve the recent Campo Alegre case and the Hato shooting in depth and for this reason brought back Addison Diaz from Holland to be incarcerated back in Curacao among the other criminals in Bon Futuro. Since he is considered to be a heavy criminal with a turbulent passed escaping prison, killing his own cousin and several attempts on a heavy criminal called "Muzo" they

believed it would be simple for other jailed criminals to opened up to him and collect more info for the prosecuting office of Curacao on other unsolved cases. With recordings done through phones and declarations in prison made to him true or false he has been supplying information to the dutch prosecutors for his deal for jail time reduction to be accomplished. This until recently it became obvious that Addison Diaz was asking too much while in Prison and for this reason he was pulled out by the Dutch prosecutors and brought back to Holland where he is now jailed in Vught.

Our sources tell us that witnesses will come forward on the killing of the Addison Diaz cousin which was ordered by Addison himself, where names of to Venezuelan assassins and the gun used information for this murder will come forward.

It has also been made clear to us that the dutch prosecutors in Curacao are doing these type of deals more and more with heavy criminals, where jail time is being offered in return of any declaration for the prosecutors to succeed in closing important cases.
