FOR IMMEDIATE RELEASE

STEVE'S AUTOMOTIVE OFFERS JANUARY SPECIALS

Steve's Automotive boasts [discounts](#) available for services in January 2018

Longmont, CO: Throughout the month of January 2018, Steve's Automotive is offering the following discounts, with coupon:

- \$10 off any alignment
- 10% off any labor (with a \$50 limit)
- Check and Flush Cooling System service for \$99.95

Coupons are available in the Longmont Times-Call or on Steve's Automotive website at

<http://www.stevesautorepairlongmont.com/longmont-auto-repair-coupons/>. Certain restrictions or limitations apply.

There is an additional coupon for \$19.95 that provides customers with the following services:

- Oil Change
- Tire Rotation
- Brake Inspection
- Belts
- Hoses
- Fluid Levels

Each month, Steve's Automotive offers a new set of coupons to ensure customers are always able to receive preventative and necessary service at an affordable price. Even without coupons, regular prices are reasonable for services such as alignment, vehicle diagnostic, tire repair and replacement, and fluid inspection. As a full-service repair and auto maintenance shop, Steve's Automotive provides major engine work on domestic and imported vehicles, including SUVs and light trucks. General coupons, like the reduction in labor price, can be a huge asset if your car needs major repairs or adjustments.

As always, Steve's Automotive is happy to provide shuttle service to help ease any inconvenience involved in automotive maintenance and care. They also provide free inspections and written estimates, so there are never any surprises on the invoice. It is usually possible to have cars in for service and back out on the road the same day. For short service trips, customers are invited to relax in the clean, welcoming waiting areas.

Steve's Automotive specializes in wheel alignment and brake suspension, so you can feel safe and confident driving in a vehicle serviced by Steve's staff. At Steve's Automotive, everyone cares about the customers' safety and happiness with their vehicle, which is why they offer helpful tips and hints on their website, so drivers can know exactly when to bring their car in for a tune-up. To make customers better car owners, their website offers causes and solutions for common car ailments, which can help prevent them from occurring in the future.
