

# Ohio Corporate Whistleblower Center Urges an Employee of a Firm in Ohio To Call about Rewards If Their Employer Is Paying Less Than Mandated Davis Bacon Wages on Federal Jobs

WASHINGTON, DC, USA, February 15, 2018 /EINPresswire.com/ -- According to the Ohio Corporate Whistleblower Center, "We are appealing to an employee of an Ohio based company that does any kind of work for the federal government to call us anytime at 866-714-6466 if their employer is not paying Davis Bacon wages to their employees on a federally funded job or work projects. This also includes subcontractors of the contractor on a federal job-not paying mandated federal wages to their employees. As we would like to discuss anytime the rewards for this type of information can be very significant. Essentially the more the employees who are not being paid Davis Bacon mandated wages on a federal job-the better the reward potential for the whistleblower."

Simple rules for a whistleblower from the Corporate Whistleblower Center: Do not go to the government first if you are a potential whistleblower with substantial proof of wrongdoing. The Corporate Whistleblower Center says, “Major whistleblowers frequently go to the government thinking they will help. It's a huge mistake. Do not go to the news media with your whistleblower information.

Public revelation of a whistleblower's information could destroy any prospect for a reward. Do not try to force a company/employer or individual to come clean about significant Medicare fraud, overbilling the federal government for services never rendered, multi-million-dollar state or federal tax evasion, or an Ohio based company falsely claiming to be a minority owned business to get preferential treatment on federal or state projects. Come to us first, tell us what type of information you have, and if we think it's sufficient, we will help you with a focus on you getting rewarded."
