

# Arkansas Mesothelioma Victims Center Warns a Person with Mesothelioma in Arkansas About Low-Ball Settlements from Less Experienced Attorneys, And They Offer Tips for Maximizing Compensation

NEW YORK, NEW YORK, USA, February 21, 2018 /EINPresswire.com/ -- The Arkansas Mesothelioma Victims Center is now offering vital tips for a person with confirmed mesothelioma in Arkansas designed to make certain the diagnosed victim and their family has a national caliber mesothelioma attorney representing them for their compensation claim. These vital tips also help serve as an educational tool to prevent a diagnosed person from hiring a less experienced local personal injury attorney, or a mesothelioma middleman law firm, which could cost the victim and their family hundreds of thousands of dollars or more in lost compensation. <http://Arkansas.MesotheliomaVictimsCenter.Com>

The Group says, "We want to prevent a person with mesothelioma in Arkansas or their family from potentially losing out on hundreds of thousands of dollars or more in compensation because they hired an unqualified local personal injury lawyer or law firm. We firmly believe people with mesothelioma should get the best possible financial compensation. We only recommend the nation's top mesothelioma attorneys to every single diagnosed person we meet. If you or a family member has been diagnosed with mesothelioma in Arkansas please call us at 800-714-0303 for on-the-spot access to some of the nation's most capable, skilled and experienced mesothelioma compensation attorneys." <http://Arkansas.MesotheliomaVictimsCenter.Com>

Vital Compensation Tips for A Person with Conformed Mesothelioma in Arkansas From the Arkansas Mesothelioma Victims Center:

\* The diagnosed person with mesothelioma in Arkansas should try to make a list of the times or

places they may have been exposed to asbestos. Mesothelioma is caused by asbestos exposure. The list should include employer's names, a job description and if exposure to asbestos was involved.

\* The person with mesothelioma in Arkansas should try to recall the names of coworkers who witnessed the exposure to asbestos. For Navy Veterans this becomes much easier because they do keep records of crew members on a ship that is time specific.

\* The Arkansas Mesothelioma Victims Center is urging a person with confirmed mesothelioma in Arkansas to call them at 800-714-0303 before they hire a lawyer or law firm to represent them. The group's goal is to ensure the diagnosed person has the best possible legal representation.

Individuals with mesothelioma in the state of Arkansas could have been exposed to asbestos while serving in the US Navy or working at a power plant, at an oil or gas facility, as a plumber, a boiler technician, as an auto repairman, as an electrician, insulator, at a pulp and paper mill or at a construction job site. In most cases, the exposure to asbestos caused mesothelioma at one of these types of workplaces in the 1950s, 1960s, 1970s, or 1980s. Mesothelioma typically takes three to five decades to develop.
