“Clinton lied. A man might forget where he parks or where he lives, but he never forgets oral sex, no matter how bad it is.”

— *Barbara Bush*

NEW YORK, NEW YORK, USA, February 8, 2018 /EINPresswire.com/ -- When a former First Lady and mother to another American President can speak so candidly about [oral sex](#), what's stopping the rest of us?

Nothing, of course. And this Valentine's Day, Tatiana only wants to make the conversation easier and more open-minded with her new book [Oralicious](#): a funny, insightful guide to boosting everyone's oral sex game!

Tatiana Carrera has always been fascinated by how one achieves an orgasm, and she learned early on that women are not as lucky as men in this area. Longing to unlock the mystery and shed a bright light on the joys, pleasures and rewards of performing oral sex on your partner, Tatiana became a student of the sexual Pleasure Journey.

Motivated by what she learned reading books, watching '80s porn, and enthusiastically living life, Tatiana's passion is to help ignite yours where it counts: in the bedroom. By highlighting the importance of kissing, sensual foreplay, exploration of our erogenous zones, and an open mind, Tatiana wants the Pleasure Journey to be just as unforgettable (because it's good) for both partners—not just on Valentine's Day, but all through the year!
