

Spiritual Master Louix Dor Dempriey Proclaims 2018 as The Year of Friendship

LAGUNA HILLS, CALIFORNIA, USA, February 13, 2018 /EINPresswire.com/ -- Each year spiritual Master Louix Dor Dempriey delivers his Divine dispensation for the coming year—a benediction that will overlight, guide, and shape humanity and the world.

On 31 December 2017, during his annual New Year's Eve Retreat (held in the Dandenong Ranges, on the outskirts of Melbourne, Australia), Louix delivered his Divine dispensation for 2018.

Wanting to capitalize on the tremendous gains that were achieved from last year's dispensation for The Year of Unity (2017), Louix proclaimed this year, 2018, as [The Year of Friendship](#).

Louix explains that through The Year of Unity the goal was to gain greater awareness of how we can expand our consciousness to be more unconditionally loving and accepting of others; to transform our judgements and prejudices; and to broaden our viewpoints of the world, towards other religions, political parties, public figures, societal groups, races, genders, and belief systems to become more inclusive and see that we are all truly one family.

This year, we are invited to stand on the shoulders of, and apply, that expanded consciousness by taking steps to reach out and befriend others. Louix offers four primary areas where we can grow and expand our friendships, starting with healing discordant relationships with others, whilst continuing to seek out any remaining judgments and prejudices and transmute them into kindness, unconditional love, non-judgment, inclusivity, and acceptance.

Throughout this profound discourse, Louix explains that we all hold the power—as individuals—to end war on the planet, by ending the wars within:

As long as wars still exists inside each human heart,
wars will exist on the planet.

Listen to his guidelines and Revelations as to how each of us can easily and magically create and improve friendships in our lives and, by so doing, help foster greater harmony and peace in the world.
