Author Shares His Christian Views Through A Collection of Songs

SAN ANTONIO, TX, UNITED STATES, February 14, 2018 /EINPresswire.com/ -- Music is what feelings sound like and author [Arthur Christopher Gorham](#) expresses God's view for the world, through his songbook entitled, '[Worship Songs and Hymns](#)' - 'For the Modern Christian Church'. 100 original scripture based hymns and spiritual songs.

Arthur Gorham describes God's authority, power, glory, mercy and love to the world in a riveting collection of songs. He encourages every reader to experience God's scriptural message of hope and salvation that God has expressed to all who would seek Him, in Christ Jesus. He hopes that through his piece of work, the readers will find encouragement, spiritual answers and a steadfast faith to continually seek and trust in God.

Jesus Christ is the only way to obtain salvation from sin and the only way to be freed from the guilt and condemnation of a sinful life. The world is filled with its different elements of corruption and false promises. And by them many perish without hope and without the opportunity to know God and His love that he has already expressed through Christ Jesus. Arthur's overall message for the reader, in all of his songs expressed in the hymnal, is of God's love and everlasting promises God gives to the believer. 'Worship Songs and Hymns' is a must have for readers and hymnal collectors who beseech the importance of the message that strengthens the spirit, encourages the heart and edifies the body of Christ. Highly recommended! A must read!
