Bryan Koelling, President of Lockdowel, Inc. says. “No more loose or immovable shelves! It takes about two minutes to install or remove.”

According to Lockdowel, the shelf tightener inserts into a 5mm hole, and then the user slides a pre-routed shelf edge over the tightener to secure it. See it here in this short video---<https://www.youtube.com/watch?v=0E-NJADeWYQ>

In addition to the new shelf tightener, Lockdowel will be demonstrating their [2017 Visionary Award Winning](#) Lockdowel EClips Snap-in Drawer Slides, and Lockdowel hinges.
