Badger Reps now has responsibility for California, Nevada, New Mexico, Arizona, and Hawaii, and are now actively engaged in providing Arecont Vision sales support to their customers across the US West region.

"Arecont Vision is one of the founding organizations of this phenomenal innovative technology that offers a diverse portfolio of advanced, award-winning megapixel cameras that are protecting the people and the things we value most in the world," said Cliff Hamilton, Principal for Badger Reps. "These amazingly innovative cameras are a great fit to an existing portfolio of products that deliver a wide array of solutions to customers across our region."

Badger Reps and the other members of the Arecont Vision Manufacturer's Representative Partner program are key to bringing the industry's best, cyber-secure megapixel cameras to more customers across their regions. Participants in the program extend the reach of Arecont Vision in providing

expert pre-sales assistance, interfacing with and educating customers, system integrators, and distributors on available products and solutions for their video surveillance requirements. Program members stay current with video surveillance and security industry technology and products via Arecont Vision University and other company and external sources.
