

# Six leading pharma firms to participate at Pharmaceutical Microbiology event in San Diego

LONDON, UNITED KINGDOM, February 28, 2018 /EINPresswire.com/ -- SMI's 2nd Annual [Pharmaceutical Microbiology West Coast](#) Conference will be taking place in San Diego, USA on the 7th - 8th June 2018. The conference will be focusing on the various issues the pharmaceutical industry is facing, including aseptic practice and contamination prevention, mycoplasma testing, water monitoring, biofilms and much more. The launch event in 2017 saw over 60 industry professionals attend, as well as over 5 hours of dedicated networking.

The success of last year's event saw the sponsors Biomerieux and Charles River returning for this year's annual event. The Pharmaceutical Microbiology West Coast Conference 2018 is also sponsored by Associates of Cape Cod Inc, Fujifilm Wako Chemicals U.S.A Corporation, MilliporeSigma and Roche.

## 2018 Sponsors:

- Biomerieux: Microbiologists committed to keeping your lab running smoothly and ensuring that your products are safe.
- Charles River: Helping customers bring products to the market safely and efficiently with revolutionary technologies and exceptional services, changing the way we conduct microbial quality control.
- Associates of Cape Cod, Inc: Endotoxin experts specialising in chromogenic and turbidimetric reagent technologies.
- Fujifilm Wako Chemicals U.S.A Corporation: World-renowned supplier of high purity chemicals with over 30 years of research and development dedicated to providing innovative endotoxin-specific reagents and consumables for "every user and every method".
- MilliporeSigma: Solving the toughest problems in life sciences by collaborating with the global scientific community, providing scientists and engineers with best-in-class lab materials, technologies and services.
- Roche: Developing medicines and diagnostics that help patients live longer, better lives.
