

# Superior Cabinets by Vivaldi Uses Snap-in Lockdowel Fastening to Complete New Sugar Land Imaging Center

*Houston Cabinet company rebuilds South Texas with fast, snap-in cabinet fastening, requiring no screws or glue.*

HOUSTON, TEXAS, UNITED STATES, March 14, 2018 /EINPresswire.com/ -- [Superior Cabinets by Vivaldi](#) announces the completion of the cabinet work for Global Imaging - an MRI Center in Sugar Land, TX - using [Lockdowel](#)'s strong, snap-in fastening. Lockdowel enabled Superior Cabinets by Vivaldi to build their cabinet boxes 60 percent faster than their previous fastening method using screws and staples. The company decided in December of 2017 to use Lockdowel fastening for their cabinetry assembly.

Superior Cabinets by Vivaldi just completed the cabinetry for Global Imaging Center in Sugar Land. They used Lockdowel strong, snap-in fastening with no screws or glue.

"The Lockdowel fasteners are hidden for a smooth, strong hold," Tanuj Khanna Operations Manager of Superior Cabinets by Vivaldi says. "At the same time, we were looking for a solution without any metal since that was a must for this imaging center."

“

We are in the middle of a project that consists of 150 flooded townhomes using Lockdowel EClips fastening. We were especially pleased with how easily the finishing and assembly went.”

Superior Cabinets by Vivaldi has been the “go to” cabinet builder in the Houston area for apartments and hotels, but now the company has seen an increase in residential cabinetry as they repair homes damaged by Hurricane Harvey. “We are in the middle of a project that consists of 150 flooded townhomes using Lockdowel EClips fastening. We were especially pleased with how easily the finishing and assembly went,” Khanna said.

Superior Cabinets by Vivaldi is the sister company of Superior Granite by Valvidi, which has grown to eleven locations throughout Texas, since 2002. “We complement each other’s business nicely since cabinetry and stone counter tops go hand in hand.”

The two companies look forward to a steady, busy 2018 and 2019, with the Hurricane Harvey Houston-area rebuild. In addition, Superior Cabinets by Vivaldi will continue supplying cabinetry and

installation, nationally, for hotels and apartment complexes.
