

Las Vegas Celebrates Corporate Wellness at 2018 Spring Fit Company Challenge

Teams from companies in Las Vegas show the impact of their wellness programs by training for and conquering a 3-course fitness challenge hosted by Fit Company.

LAS VEGAS, NEVADA, USA, April 4, 2018 /EINPresswire.com/ -- On March 22, 2018 participants from companies located in the Las Vegas area took part in the [Fit Company Challenge](#), a corporate wellness event hosted by the Fit Company Institute. The challenge provided area companies an opportunity to come together as a team and spend a morning exercising, pushing their physical and mental limits and showing the importance of living a healthy lifestyle. Companies split their team into squads of 3 to 4 people who worked together to complete a variety of fitness stations to challenge their fitness level and earn points for their company. Teams chose what level to go through each course which allowed participants of all fitness levels to push their physical fitness without going too far out of their comfort zone.

On event date, volunteers assisted the contenders through the courses from Camp Rhino ([crossfitupperlimit.com](#)). Participants challenged their strength, conditioning, power, agility, and ended with a test of endurance to show their companies and colleagues that they practice what they preach.

The challenge was held at Sunset Park, located a short drive from downtown Las Vegas.
