

Proper Insurance Goes Green!

Committed to handling growth in a sustainable manner, Proper Insurance is recognized as the first insurer of short term vacation rentals to be paperless.

BOZEMAN, MT, UNITED STATES, April 17, 2018 /EINPresswire.com/ -- As the nation's leading insurer of short term vacation rentals, [Proper Insurance](#), paves the paperless way to sustainability. Showing industry leading protection and customer service doesn't have to come with environmental baggage, and Proper Insurance has been able to create the most comprehensive commercial insurance policy available while maintaining exacting standards in sustainability.

Proper Insurance's easy-to-use, [proprietary quoting system](#) and software is significantly more secure, efficient, and ecologically friendly than the traditional quoting and binding systems used by

large carriers. One of the keys to Proper's continued success in the Vacation Rental industry includes utilization of these eco-friendly tools paired with stellar customer service and exceptionally knowledgeable territory executives. Proper Insurance's ability to adapt and accommodate customer desires for an efficient and green insurance program highlights the company's commitment to offering

the best insurance products, period. Proper's vacation rental program is custom penned for the unique risks of vacation rental properties, and offers \$1,000,000/\$2,000,000 in commercial general liability standard with every policy.

“

Given the growth we are experiencing, it makes sense to future-proof our system and distance ourselves from the competition. Practicing sustainability is just good business.”

Nicholas Massey, National Sales Manager

National Sales Manager, Nicholas Massey explains:

“Given the growth we are experiencing, it makes sense to future-proof our system and distance ourselves from the competition. One of those ways is to practice sustainability. It makes sense from a practical standpoint, and it's just good business.”

Proper Insurance saves over 65,000 printed pages a month by sending electronic versions of quotes and policies, and utilizes state-of-the-art, secure 3rd party software to allow customers to electronically sign and verify documents. Coupled with the efficiency that paperless quoting provides, Proper's Account Executives can quote and bind industry-leading

Proper Insurance

commercial package policies in the same business day. Writing in all 50 States, Proper Insurance together with Lloyd's of London is proud to offer liability coverage that extends to amenities such as swimming pools, hot tubs, watercraft bicycles and more. Unparalleled technological advancement and unparalleled customer service set Proper Insurance apart from other insurers in the Vacation Rental niche, while their excellent underwriting and sustainable mindset keep Proper ahead of the industry curve and on track for a fantastic 2018 and beyond.
