

# Why Accountability is the Fast Track to Spiritual Growth

LAGUNA HILLS, CALIFORNIA, USA, April 15, 2018 /EINPresswire.com/ -- Many spiritual aspirants ask "How can I accelerate my spiritual growth and transformation? Is there a fast track?"

Louix Dor Dempriey, a spiritual Master who, for the past 20 years has been helping people worldwide attain self-mastery, teaches about the concept of "accountability" as the fastest path to spiritual growth and evolution.

To understand accountability, we begin with "victimhood." When you blame (or project onto) others for what happens in your life ("She crashed into my car;" "He is being horrible to me," etc.), you live as a victim and spiritual growth is very limited. However, when you become accountable—when you start living the concept "Nothing exists outside of self"—then rapid healing and transformation can more easily take place.

In his discourse [Accountability—The Fast Track to Spiritual Growth](#) Louix explains:

"You are the sun in your universe, and the 7 billion people on the planet are all the many aspects (or reflections) of you—your Divinity, your non-Divinity, your greatness, your strengths, your weaknesses...."

"Everything exists in this world and everything happens to you solely for the purpose of your God-realization. Therefore, you, as the co-creator (with God) of your life, created and chose every single thing that ever happened (or happens) to you."

Living in this way, Louix explains, gives one a great sense of empowerment. When something happens to you, immediately ask yourself the question, "Why did I create this?" "How is this inviting me to become greater love?"

When you live in this state of accountability—with a constant focus on self-reflection and self-inquiry—the evolution of your consciousness is accelerated immeasurably.
