

Cascade Welcomes John Cowdery as CEO

BOTHELL, WASHINGTON, UNITED STATES, May 10, 2018 /EINPresswire.com/ -- [Cascade Environmental](#) (“Cascade”) is pleased to announce that John Cowdery has joined the Company as President and CEO.

“John’s extensive background in the environmental industry and experience driving operational excellence uniquely qualifies him to successfully lead Cascade into the future,” says John Kenny, Co-Chairman of Cascade. “The Board is eager to support John in the transition to his new role.”

“I’m honored to be a part of an organization that truly understands the needs of the environmental services industry,” comments Cowdery. “Cascade has evolved its suite of services by investing in people and technology to support our customers with innovative solutions to complex issues. This is an exciting opportunity to further strengthen Cascade’s position as a fully-integrated service provider to the geotechnical and environmental markets.”

Prior to joining Cascade, Cowdery served as President of the Environmental Sector for TRC

Companies where he was responsible for leading the growth strategy for the \$300 million division within TRC. Previously, Cowdery has held leadership positions at ICF International, Jones & Stokes Associates and ATC Group Services. He has over 30 years of experience in the environmental
