

Nightshade Studios Join in the First Wave of Sales as Impereum Enters Asian Markets

HONG KONG, CHINA, May 24, 2018 /EINPresswire.com/ -- 2017 is unarguably the boom of cryptocurrency. In 2018, one of the cryptocurrency worth watching would be Impereum (IPM) which is entering the market with a bang. Nightshade Studios, a diversified investment company, is particularly optimistic about IPM, and has acquired a large amount (close to 20% of total market capitalization) of Impereum (IPM) Coins. According to reliable sources, Impereum has been pre-ordered by many private enterprises in nine Asian countries and is bound to set off a wave of trading and investment in Asia.

Nightshade Studios is an international holding enterprise founded in 2009 with international conglomerates including e-commerce, events management, casino, luxury tourism and real estate businesses.

Nightshade Studios has its roots in Europe and its current businesses has expanded into the Asia Pacific region. It will also set up a service center in the Asia Pacific region as part of the Group's expansion and future development. Nightshade Studios' president of the Asia-Pacific region, Mr. Summer Ren, also mentioned that Nightshade Studios is confident that IPM's potential is bullish. Nightshade Studios' entertainment further combines the use of malls, products, other services in its fields which value adds greatly for IPM.

IPM is easy to use, safe, fast, and reliable. It solves the bottlenecks faced by existing traditional currencies such as the flow of gold, pricing, mediation, and payment. Investors can stand to benefit from the various investment projects and enjoy the additional value of Impereum.

Impereum has now been recognized by many Asian real estate development companies. Investors will be able to buy and trade through Impereum's affiliate Nightshade Studio as well as on the blockchain trading platform. It's expected that the global wave of cryptocurrency boom will continue to spread enthusiastically before the start of the second quarter of 2018!
