Pastor Chris Oyakhilome of Christ Embassy, will host the ninth edition of the International Music Concert, taking place on the 24th of June in Lagos, Nigeria.

LONDON, LONDON, UK, June 19, 2018 /EINPresswire.com/ -- The founder of Christ Embassy – [Pastor Chris Oyakhilome](#) will be the host of the 9th edition of the International Music Concert. The event will take place on June 24th in Lagos, Nigeria. The pastor is organizing this event in order to gather talented people who wish to share their love of God and talents on stage, in front of other Christian believers. The massive gospel event will happen at the LoveWorld Convocation Area, in Lagos.

[Pastor Chris](#) Oyakhilome has been hosting the International Music Concert since its very first edition. He organized this event with the goal of giving back to the community by providing a stage for gifted artists. The event is frequented by award-winning artists, such as Sinach, Eben, Ada, Rap Nation, including many others as well.

The goal of this event is to unify performers from all over the country through song and dance and create “an uplifting experience for everyone attending”. The talent show will feature a mixture of rap, pop, hip hop, along with various other types of performance arts. Moreover, the event will also feature Pastor Chris's third album, which is a compilation of voices of the most popular ministers from the Believer's LoveWorld. He previously stated that his album contains "truths and messages that have the ability to transform and change societies all around the world".

Furthermore, the The International Music Concert is related to LoveWorld's LIMA event, which will award respected gospel singers.

The event, which is going to be free for everyone is similar to the International Music Concert because it is giving opportunities to people to get inspired by talented and experienced young artists of the nation.

For Pastor [Chris Oyakhilome](#) and for Christ Embassy members, creative art and culture is considered very important. The community believes that “faith is reaffirmed through gospel” and that “music provides a unifying experience for people across the country.”

The event will also include poetry readings and a speech by Pastor Chris Oyakhilome. In addition, the event will also be available live around the world through internet and TV in order to reach as many believers as possible.
