MTS Management Group has been brought in for publicity and promotion for the band. "This is the sound that I grew up with!" said Michael Stover, MTS President. "I was a HUGE fan of the hair metal genre, and I still listen to 'Hair Nation' on Sirius/XM. Bands like Whitesnake, Stryper, Slaughter,

Winger, Warrant, etc. etc., were just fun acts to listen to. The musicianship was always top-notch and the live concerts were so exhilarating. Love Stallion is cut from the same cloth. I am so excited to be working with these guys!"
