

An Open Letter to Mayor Bill de Blasio.

How do we develop healthy minds and brains when we do not even know what the mind is? How do we fix the ills of society, when we do not know what needs fixing?

NEW YORK CITY, NY, USA, September 10, 2018 /EINPresswire.com/ -- The new school year has started, but there will be hardly anything new about the education system. The mess in education and in society will continue just as before. The education system will be based on the same old system of tried, tested and failed knowledge of the past.

“

Emotional-intelligence/wisdom is the smoke where emotional health is the fire. Will you continue to try to create smoke without lighting the fire? Lighting the fire will generate smoke effortlessly.”

Sajid Khan

brain education is introduced as a separate subject the mess in education and in society will continue.

Wisdom 3.0

A very simple paradigm shift is all that is required to change the current chaotic world mess into an authentic wisdom powered world of harmonious order. The current world mess clearly stems from a nonlinear definition of wisdom. All that is required is to change the current fuzzy definition of wisdom to a predictable phenomenon. Let's just change the definition of wisdom from being a philosophy to being a science. Wisdom and emotional intelligence are one and the same. They both stem from emotional health. The simple trick is to define wisdom as emotional health. Emotional health is as scientific a phenomena as they come. Focusing on emotional health will generate wisdom effortlessly.

A plan to create emotional health will replace the ills of society with a massive positive change that will mean not just successful sustainability but a super#full-means-ability. Combined with the effects of a wise society the creation of a Wisdom Industry will create massive jobs in all corners of the world which will result in huge economic gains. Just imagine a free Wisdom Land franchise with branches all over the world. Just imagine a whole new profession of Brain Healers,

Mind Brain

Providing you with an effective new innovation of your brain and mind observing each other from an inside in perspective.

Mission Statement

Wisdom power is your (+2) guru/emotionally-healthy self-image power.

You are the mind and your brain is a limb like your hands.

The mind and brain will remain lumped together as just the mind and as a result mind education and brain education will amount to just mind education and brain education will remain not only neglected; the brain will continue to be miseducated.

Education is like a bicycle which consists of the very visible mind wheel and the hidden brain wheel. Even though in the majority of students the brain wheel for no fault of their own, is punctured instead of trying to fix the puncture we punish the students by grading them as failures.

As long as our experts do not take action on the fact that the brain has to be recognized as a separate entity and

WisdomSeminar Leaders, Wise Parenting Coaches, Jail Instructors, Leadership Coaches, Happiness Coaches etc.

Every country, region, corner of the world can all be equal partners in such entities as Wisdom Day, Wisdom Land, Wisdom Hall of Fame, Brainpower Club, Shy Power Club, Happiness Clinics, Divorce Clinics etc. I also have a 'green flours' idea (expired patent). Vacuum Power Generators. (Vacuum power is the fulcrum of wind power).

Some of my projects include toys that teach wisdom, a script for a movie, 'The Story of Wisdom', a sitcom on wisdom, a talk show on wisdom, The Wisdom Express, The Star of Wisdom Award, seminars on wisdom, happiness, love, deep brain relaxation etc. Applications in art, music, and sculpture.

Imagine what emotionally healthy brains on a massive scale will do to the world.

We Must Find the Path to a Wise Society by Any and Every Means Possible. The world is in chaos because we continue to produce emotionally challenged brains in the majority of mankind, not just at the individual level and even at the group and country levels.

There are extremely simple, crystal clear and effective tricks to creating a wise society.

Define wisdom not by its qualities and attributes but by whatever generates wisdom. Thus define wisdom as emotional health.

Identify emotional health as humility because it is humility that transforms every attribute of wisdom into wisdom!

As wisdom is the smoke where emotional health is the fire focus on lighting the fire instead of trying to create smoke on its own. To create emotional health create emotionally healthy brains by ensuring emotional baggage free brains. Thus define wisdom education as wise-parenting for the young and brain-therapy for all others.

Brain cleaning should be as common as brushing teeth.

Healthy brains are the foundation of a wise society.
