

Protein Brokers, LLC Women Owned & Managed Company named Master Broker for 5 C - Cattle Group featuring Chianina Beef

Chianina Beef desired by many but in short supply in the USA is available through the 5 C Cattle Group giving restaurant guests a chance to enjoy this fine beef

DENVER, COLORADO, UNITED STATES, November 9, 2018 /EINPresswire.com/ -- [Protein Brokers, LLC](#) the Women owned and Managed Company Headquartered in Colorado has been named the Master Broker for the 5 C Cattle Group featuring [Chianina Beef](#) and Chianina Beef Burgers. Marlene Seward President/CEO of Protein Brokers, LLC continues to attract companies looking for a broker that can develop them NEW BUSINESS.

Chianina Beef Steaks

Chianina Beef (pronounced kee-a-nee-na) is desired by many here in the USA, but the supply of Chianina Cattle has been very limited. After years of planning the 5 C Cattle Group have developed a business and logistics plan to give the public a chance to enjoy this wonderful tasting beef in fine restaurants and upscale burger bars. The Chianina Cattle reared in the Valdichiana area of Italy are one of the oldest breeds of cattle in the world. They have been predominantly raised in the Italian regions of Tuscany, Umbria and Lazio for at least the last 2,200 years and now been introduced into North America giving all of the USA a chance to enjoy this fine beef without the long trip to Italy.

“

Restaurants, Burger Bars and Upscale Stores in the USA now have the opportunity to offer their guests one of the most sought after delicious, tender, juicy Chianina Steaks and Chianina Beef Burgers”
