"Our law firm was built on the principles of going the extra mile and positively making a difference in lives of those in need. That is why we decided to up our charitable donations this Thanksgiving holiday by personally giving away 1,000 frozen turkeys to Albuquerque families that may otherwise not have the option to purchase one on their own," stated attorney Kevin Rowe. "We are also grateful for our community partners at Cumulus Media for

their help coordinating the event and for introducing us to enthusiastic volunteers that share our passion to give back!"
