*Brief Buy online men's underwear store is now featuring new trendsetting men's underwear brands Nth Degree, Bamboo and Cool Cloze.*

HINSDALE, ILLINOIS, UNITED STATES, December 7, 2018 /EINPresswire.com/ -- BriefBuy.com now features Trendsetting Men's Underwear from exciting new Brands [Cool Cloze](#), Nth Degree and Bamboo. So what makes these brands so trendsetting?

Fabrics. Cool Cloze and Bamboo use fantastic new fabrics that feel luxurious on your skin, and are healthy too. One of these advanced fabrics is Bamboo Silk, yes, made from Bamboo. The qualities of Bamboo Silk make it perfect for products that go next to skin, like luxury sheets, towels and even clothes soft enough for babies. Bamboo Silk is softer than cotton, breathable, wicking, cool, quick-drying and anti-bacterial, making it ideal for men's underwear.

Design. The Nth Degree Boxer is a modern take on the traditional Boxer thanks to Nth Degree's patented Suspension Pouch that delivers great support—and amazing comfort! The perfect balance between support and freedom, the anti-microbial mesh pouch keeps everything where it should be. Nth Degree's innovative new Boxer design provides the freedom of a Boxer with the support of a Brief.

“

Bamboo Silk. It's made from Bamboo, but get that picture of a Panda eating a tough stalky plant out of your mind. Bamboo Silk is soft as a baby Panda's fur.”
